

The Book of

Chapter_____

Before you start, take time to ask the Lord if there is anything you need to confess. If He brings something to mind, confess it and yield your life and heart to Him and ask Him to lead your thinking. Then use the space below to express what's on your mind and heart and submit it to Him.

Read Chapter_____

Make note of the things that jump out at you as you read.

Paraphrase

Sum up what you read.

Process

Put yourself in this situation, what would you be thinking and feeling?

What do these verses show you about God's character?

Pursue

Of the verses that jumped out at you look them up in Bible study tools (Commentaries, Strong's, Bible dictionaries etc.) and write down what you learn. *BibleStudyTools.com, BibleHub.com, MyStudyBible.com, BlueLetterBible.com are helpful sites.*

Ask God why He brought these things to your mind. Write down the thoughts that come to mind.

Principles

Write down some principles that stick out to you.

1.

2.

3.

Praise

Spend time praising God for who He is and how He has revealed Himself to you.

Personal Application

How does what stood out relate to your personal day to day life? How can you respond with action-oriented faith to what God has brought to your mind?

Pray

Spend some time talking to God about what He showed you, remembering you can do nothing eternal apart from His strength and ability. And spend some time talking to Him about other things on your mind and people and circumstances in your life He brings to mind.
