## **Table Seven {God's Heart}**

Each person at the table needs to pick one article on the table to read. After each person reads their article to themselves tell about the article and pray together as a group.

Go to [opendoorsusa.org/take-action/write/](https://opendoorsusa.org/take-action/write/) and choose someone to write a letter to. Write, address and stamp your letter and put in the center of the table.
