Table Six {God's Passion}

Look over the resources on that table. Each person needs to pick something they want to share with the rest of the group.

Pick a couple countries that stand out to the group and read about their prayer needs in Operation World (website or book) and spend some time praying for them.

Read about the people on the #UnreachedChallenge. If you want to take the challenge, pull the card down of the people group you commit to pray for daily for the next 30 days. Take a picture with the cardboard sign and post on social media. Write your name on a card and replace the spot where you took the card down from with it.
